No. 619. Wolverine News Co., Detroit, Mich. (Printed in Germany.)

Jane where in the world are you. We have been looking for you ever since Christmas. Your little presents are all getting dusty. Hurry up & come.

Grandpa hasn't been quite so well although he is out for a while every day.

Lots of love for your Mother & yourself. Lovingly Aunt Daisy.

I suppose you know that Aunt Louise is living in San Francisco.
